Dear Amit,

Thank you for your help in making our annual Touch a Truck fundraiser a success! Over 500 hundred children and adults enjoyed the awesome trucks and personal contact.

In addition to the money raised to help children and families, this event generated tremendous good will within our school community and all over town. On behalf of all the children and families that benefited from your generosity and support — thank you again!

Warmest regards,

Sandy Seres
Director, A Child's Place
